Important Information

This document has been prepared by Esports Gold Limited ("ESG") exclusively for the purpose of ESG research and analysis.

This document contains the opinions of the author and do not purport to represent the views or opinions of any company or entity mentioned within.

No information set out or referred to in this research report shall form the basis of any contract. The issue of this research report shall not be deemed to be any form of binding offer or commitment on the part of Esports Gold Limited. This research report is provided for use by the intended recipient for information purposes only. This research report and any of its information is not intended for use by private or retail investors in the UK or any other jurisdiction.

The information used in preparing this document is provided by the management of ESG in combination with information from public sources. ESG has assumed and relied upon the accuracy and completeness of such information but has not assumed any responsibility for its independent verification. In particular, but without limitation, this document contains opinions, projections, estimates, forecasts and other information which have been derived from assumptions prepared by ESG and ESG has assumed the accuracy and completeness of all such information and the reasonableness and completeness of the projections, opinions, estimates and forecasts in preparing its analyses without independent verification thereof.

No representation of warranty, express or implied is made by ESG, or any of its members or employees, as to the accuracy, completeness or fairness of any information contained in this presentation and, so far as is permitted by law and except in the case of fraud by the party concerned, no responsibility or liability whatsoever is accepted for the accuracy or sufficiency thereof for errors, omissions or misstatements negligent or otherwise, relating thereto. In particular, but without limitation, no representation or warranty, express or implied, is given as to the achievement or reasonableness and nothing in this presentation should be relied upon as a promise or representation as to the future.

The contents of this document are based upon conditions as they existed and could be evaluated as of the date hereof and except where otherwise indicated, speak as of the date hereof. By delivering this presentation, ESG does not undertake any obligation to update any of the information or the conclusions contained herein or to correct any inaccuracies which may become apparent.

This research report should not be construed in any circumstances as an offer to sell or solicitation of any offer to buy any security or other financial instrument, nor shall they, or the fact of the distribution, form the basis of, or be relied upon in connection with, any contract relating to such action. The information contained in this research report has no regard for the specific investment objectives, financial situation or needs of any specific entity and is not a personal recommendation to anyone. Persons reading this research report should make their own investment decisions based upon their own financial objectives and financial resources and, if in any doubt, should seek advice from an investment advisor. Past performance of securities is not necessarily a guide to future performance and the value of securities may fall as well as rise.

The information contained in this research report or any copy of part thereof should not be accessed by a person in any jurisdictions where its access may be restricted by law and persons into whose possession the information in this research report comes should inform themselves about, and observe, any such restrictions. Access of the information contained in this research report in any such jurisdictions may constitute a violation of UK or US securities law, or the law of any such other jurisdictions. Neither the whole nor any part of the information contained in this research report may be duplicated in any form or by any means. Neither should the information contained in this research report, or any part thereof, be redistributed or disclosed to anyone without the prior consent of Esports Gold Limited.
